## Hello Alumni!

The current Kappa Pi members want the Alumni to feel more involved, so we have started the Gamma Kappa Chapter of Kappa Pi monthly Newsletter.

We are all brothers with a love of art and want to keep that bond even after graduating from James Madison University! If you are on our emailing list you will be receiving our new Monthly Newsletter! It will update you on how the brothers are doing, any events we may be having, and other fun facts about Kappa Pi and the School of Art Design and Art History!

In the spring, we will put in place a new executive position of Alumni Coordinator, who will write and design the new monthly Newsletter! We are so excited to start a new chapter in Kappa Pi history and hope that this is something we can continue for years and years to come! Then with each month we will have brothers of the months. Brothers of the month are voted by our general

body members and will be featured in each newsletter. We also have a new website, look us up at:

<http://jmukappapi.weebly.com>.

Finally, join the facebook page for Alumni! JMU Kappa Pi Alumni, please friend Felicia Knise if you have problems joining!

Two new members excited to meet the 74 brothers of Kappa Pi!
