Alumni Newsletter

Presenting the new Executive Board for the upcoming spring 2016 semester.

Former pledge Rachel Owens signing her name to become a fulltime brother.

## Hello Alumni!

As the semester comes to end we are all excited to wrap up 2015!

There are no events in December. We had our general body meeting with two important announcements. We honored our one graduating senior, Davion Birdsong, at our general body meeting. Davion will graduate in December with his BFA.

We also are welcoming new executive members to our board. We welcome Emilie Dunnenberger, Zipporah Norton, and Alex Apodaca as our Pledge "czars". We welcome Amanda Pfost as a new co-social chair. We elected Rachel Swetnam as our new Risk Management Coordinator. Then finally we added Jena Rutten as our new Alumni Coordinator. We are especially excited to have Jena on board because she will be in charge of communicating and organizing events with all of our fabulous alumni! She will write and design the newsletters for this upcoming spring semester and organize the possible reunion. She will now also run the alumni Facebook page. We welcome all new executive members with open arms!

Jorge Escobar joined by his little Nava Levenson welcome two new brothers to their family, Anna Jennings and Tanner Leslie.

The Alpha Tau pledge class making their way to initiation.

Rachel Swetnam welcomed her first little, Heather Gold.
